

InputDevice::getRawProduct  
IDString

```
graph LR; A[InputDevice::getRawProductIDString] --> B[InputDevice::getProductIDString]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'InputDevice::getRawProductIDString' on two lines. The right box is white with a black border and contains the text 'InputDevice::getProductIDString' on one line. A dark blue arrow points from the right side of the gray box to the left side of the white box.

InputDevice::getProductIDString
