

QObject

```
graph BT; A[MouseButtonSettingsDialogHelper] --> B[QObject];
```

The diagram illustrates a class inheritance relationship. At the top is a white rectangular box with a thin black border containing the text 'QObject'. Below it is a larger, gray rectangular box with a thick black border containing the text 'MouseButtonSettingsDialogHelper' on two lines. A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that MouseButtonSettingsDialogHelper inherits from QObject.
