

/home/pawel/antimicrox
/src/mousehelper.h

```
graph TD; A["/home/pawel/antimicrox  
/src/mousehelper.h"] --> B["QObject"]; A --> C["QTimer"]
```

The diagram illustrates the file inclusion relationships for the file `/home/pawel/antimicrox/src/mousehelper.h`. Two blue arrows originate from the bottom of the top box and point to the boxes labeled `QObject` and `QTimer`, indicating that `mousehelper.h` includes these two headers.

QObject

QTimer
